

Additions and Corrections

Vol. 3, 2003

María Hernández-Molina, Pablo A. Lorenzo-Luis, Pedro Gili, and Catalina Ruiz-Pérez Formation of High-Dimensional Frameworks through Counterions: Structure of $[\text{Cr}_2(\text{Bipy})_2(\text{H}_2\text{O})_2(\mu\text{-H}_2\text{O})_2(\mu,\lambda\text{-O}_2\text{C})\text{-C}_6\text{H}_4\text{-2-NH}_2]\cdot(\text{NO}_3)_3\cdot\text{H}_2\text{O}$

Pages 273–274: The formula $[\text{Cr}_2(\text{Bipy})_2(\text{H}_2\text{O})_2(\mu\text{-H}_2\text{O})_2(\mu,\lambda\text{-O}_2\text{C})\text{-C}_6\text{H}_4\text{-2-NH}_2]\cdot(\text{NO}_3)_3\cdot\text{H}_2\text{O}$ (**1**) was published incorrectly. The correct version is $[\text{Cr}_2(\text{Bipy})_2(\text{H}_2\text{O})_2(\mu\text{-OH})_2(\mu,\lambda\text{-O}_2\text{C})\text{-C}_6\text{H}_4\text{-2-NH}_2]\cdot(\text{NO}_3)_3\cdot\text{H}_2\text{O}$.
