

Correction to Aerobic Copper-Catalyzed Organic Reactions

Scott E. Allen, Ryan R. Walvoord, Rosaura Padilla-Salinas, and Marisa C. Kozlowski*

Chemical Reviews **2013**, *113* (8), 6234–6458. DOI: 10.0121/cr300527g

The yield given for the oxidation of 2,4-di-*tert*-butylphenol to the *ortho*-quinone in Table 20, entry 1, is incorrect. The correct yield should read 16%, not 100%.
