Please note the following correction to this article (*Chem. Mater.* **2009**, *21*, 811–819):

The correct chemical formula for the title compound is $\text{Sr}_{9-x}\text{Pb}_x\text{Ce}_2\text{Ti}_{12}\text{O}_{36}$, as shown above, not $\text{Sr}_{9-x}\text{Pb}_x\text{Ce}_2\text{Ti}_2\text{O}_{36}$, as appears in the title of the paper. The chemical formula is correct in the abstract as well as in the text of the paper.
