

**Correction to Synthesis of Carbon Nanotube Core/Porous MnO<sub>2</sub> Sheath Hierarchy Architecture and Its Electrochemical Properties** [*Crystal Growth & Design* **2011**, *11*]. Hui Xia, Yu Wang, Man On Lai, Jianyi Lin, and Li Lu\*

This paper was withdrawn at the request of the author and Editor-in-Chief because of duplicate publication. Portions of this paper were previously published (in *J. Mater. Chem.* **2010**, *20*, 6896–6902, DOI: 10.1039/c0jm00759e) prior to online publication of the article in *Cryst. Growth Des.* The original article was published as a Just Accepted Manuscript (JAM) on May 3, 2011, and withdrawn on May 16, 2011. The PDF content of the original JAM article is attached to this Addition/Correction as Supporting Information.
